Graffiti is the theme of the 1971 Raider's Log. It has been in existence for centuries upon centuries, but just recently it has been included in the dictionary. Some of you may not even know what graffiti is. It is defined by Webster as, "A rude inscription or drawing found on rocks or walls." It is a way of life to millions of Americans. Hopes, loves, and hates find their way onto bathroom walls, scraps of paper, board fences, trees, walls, and any other flat surface that welcomes self-expression. Included here are many of the things which inspire our students.

"71" Loves Beautiful People

The ten seniors upon these two pages were selected by the Class of 71 as the most attractive members of the class. They were nominated and voted on in homeroom. Each homeroom selected four candidates, two boys and two girls. These were compiled and the ones who received the most votes were selected to represent their class. The Senior Class takes great pride in presenting the best of the class.

Homecoming Week

November 2nd through November 6th was Spirit Week. Each day the students did something different to show their appreciation to the players of our Varsity Squad.

On Monday, all members of the team wore their jerseys and were recognized. The Pep Club gave each player a Raider Kit full of goodies.

Tuesday was color day and pep tag day. The students were bedecked in orange and white, and the spirited students wore all the pep tags they could.

Wednesday was imagination day. There were all sorts of creative posters to boost the school's spirit.

Thursday was spy day. An inconspicuous person was a Bulldog spy. At the end of each period the students were given clues and everyone tried to guess who the spy was. The secret spy was Larry Finney.

On Friday the big pep rally was held. The secret spy was hung and the Raiders were pall bearers at the funeral of the dead bulldogs.

What kind of vegetable is that, Robin?

Here come de judge, here come Calvin!

Homecoming Dance

The Homecoming Dance this year was Super Fantastic and a welcome relief from gloom.

The Black Whale made everyones drooping spirits soar after the tragic loss at the game. Everyone danced and danced and then at the stroke of midnight the evening of enchantment ended. The center of attraction was the beautiful golden centerpiece, hanging from the ceiling, and sweeping down to the floor.

The centerpiece along with the mystical music of the band set a romantic atmosphere for all the young lovers.

The look of love.

The big decision!

Are you sure it will work?

But I have a partner!

Our Assistant Principal, Coach Carl
Duncan, officiated at the coronation
and the Lynard Skynard band provided
the entertainment. There was a
special guest appearance by Cupid
(alias Paul Brownell) who inspired
love in the hearts of the young and
set the mood for a romantic evening.
The theme for the dance was Love Is

carried out.

O.P.H.S. Calendar

The Senior Beta Club's one main project this year was the O.P.H.S. Calendar. It was a very successful money-making project. The calendar features students from all four classes. For sentimental reasons the seniors were also represented on the cover. The winners were as follows: Cover - Pepe Casbianca, Cathy Beeson; January - Buzzy Bannister, Kathy Cibula; February - Louann Lacheapelle, Bill Haines; March - Tom Hanley, Debbie Wingate; April - Cecilia Dew, Frank Huntley, Evangline White; May - Pattie Kramer, David Gueterman; June - Damon Boatwright, Marion Johnson; July - Suzanne Pearson; August - Myriam Schinbe, Franke Huntley; September - Marsi Brownell, Ricky Block; October - Rose Mary Weeks, Steve Murphy; November - Kim Huddleston, Pat Ogden; December - Ned Pike, Lisa Kennedy.

Hopefully the Calendar will become an O.P.H.S. tradition.

Of course I'm having a good time.

Sure I love June - no school!

What do you mean you can't get down?

Pépe

On August 15, Pépe arrived in Jacksonville. He was met by his American Family, the Louis Huntley's, and a group of students from O.P.H.S.

Pépe's home is Santa Fe, Argentina, where his father was once governor.

After graduating from high school, Pépe completed one year of law school before applying to come to the U.S. to study. Pépe was chosen on the basis of his leadership ability, scholastic averages, knowledge of languages and his experience in his own country.

Pépe's hobbies include sports, books, movies, music, working in politics, girls, and racing cars.

When Pépe returns to Argentina, he plans to continue his law studies. His philosophy is to improve the different aspects of his personality and to be a man of honor.

Pépe concentrates (?) on his studies.

Pepe is an excellent soccer player.

Pépe gets it on.

Don't Drink
the
Water

The story takes place in an American Embassy somewhere behind the Iron Curtain.

Three American citizens are accused of being inexperienced ambassador's son takes over the embassy in his father's absence and as if they aren't in enough trouble he adds to it. The spies are a lovely young girl who educates the ambassador's son, her complaining neurotic father and his bad gering wife. Bombs, magic, drinking, spices, international incidents all bring laughter in DON'T DRINK THE WATER by Woody Allen.

Rebel Without a Cause

The play "Rebel Without a Cause," was presented by the Junior class this year. Directed by Mr. Michael Craven and by Mrs. Marilyn Wolf, with Student Director, Les McTighe, the play was a success.

Because of many setbacks, we had to use two senior boys and also postpone the play twice. Even though, we overcame these and on both the 16th and 17th of January, the days the play was presented, we had sell-out crowds.

We brought in over 700 dollars in tickets and refreshments.

Interclub Council

The Interclub Council is in existence for the benefit of the students. The council consists of the vice-presidents of the clubs and classes. Its purpose is to unite these organizations of O.P.S., H.S.

Meetings are held to discuss the problems which arise within the separate groups. Then the council tries to solve them, taking into consideration the rules and school policies concerning the particular problem.

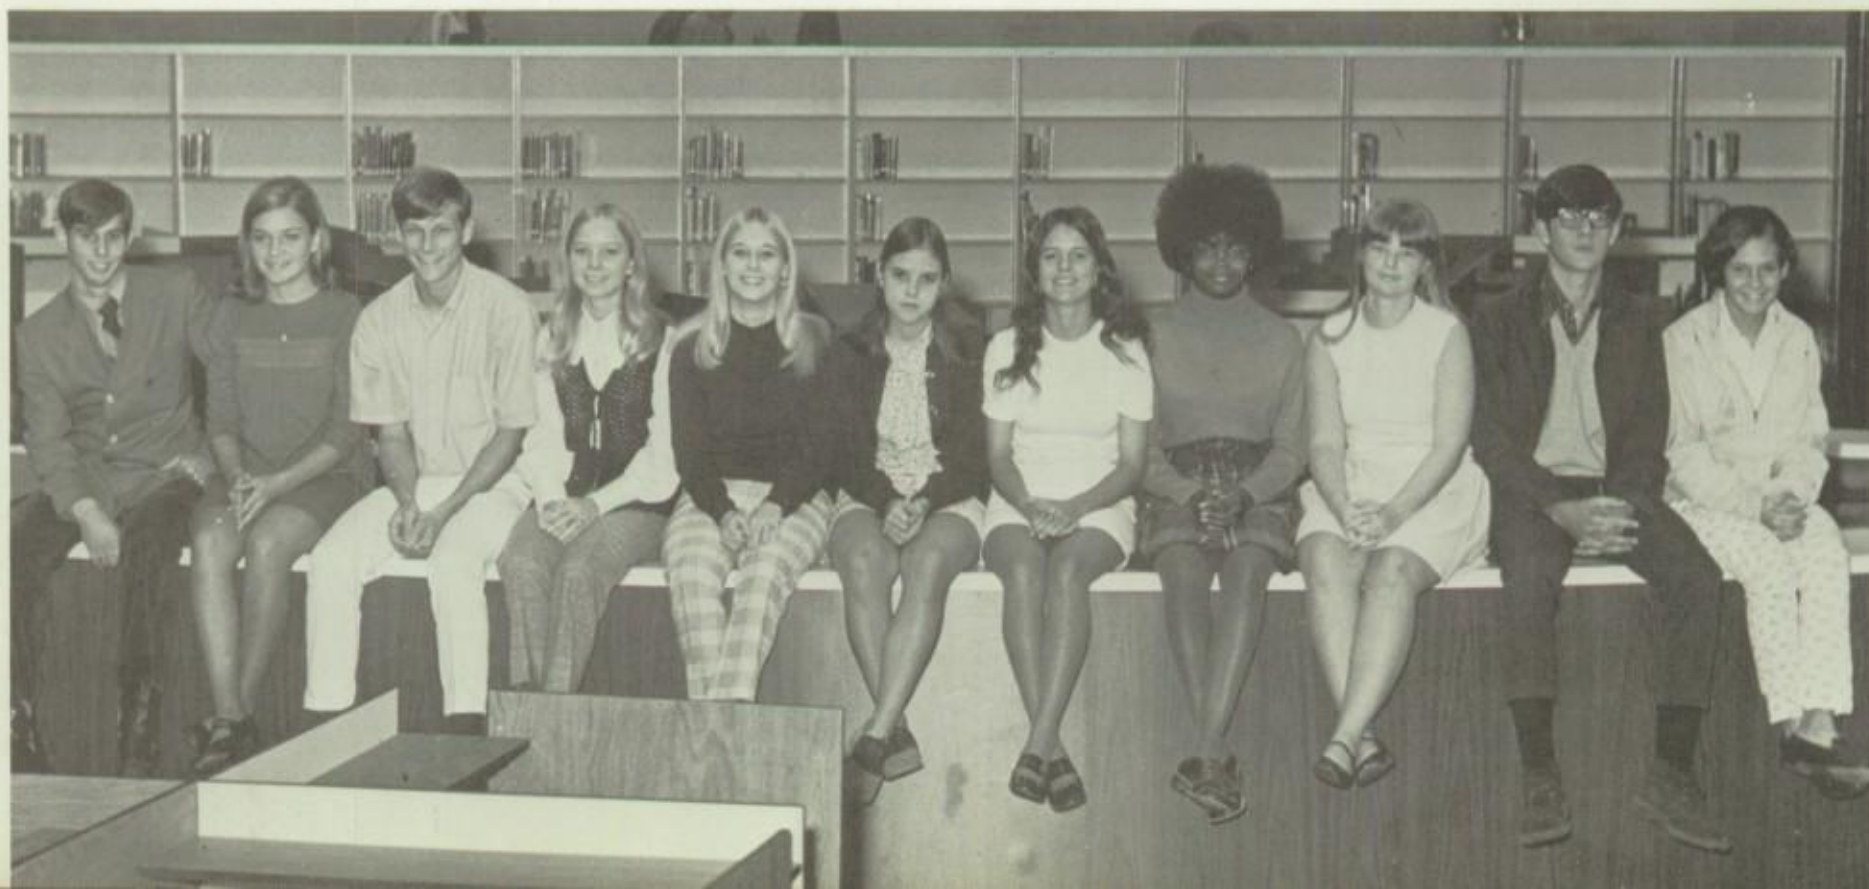

Mrs. Shannon is the sponsor and Tom Busby is the acting president.

The members look alive at a meeting.

The Beta Club took on a new project this year, a calendar contest. Each candidate collected votes with a penny counting for one vote. The winners were photographed and then placed on a calendar which was sold to the students.

After the elected president resigned, Ronda Ryan took over as acting president and continued to lead the council. Their activities consisted of a canned food drive, sponsoring the Miss O.P.H.S. dance, an assembly, and the organization of the traffic court.

Buzzy Bannister represented our school as president of the Southern Association of Student Councils, at the convention in New Orleans this fall.

Future Secretaries of America

To be a member of the F.S.A., you must be taking a business course, with a goal of becoming a future secretary. All the girls of this club were working hard the entire year. A tea was held at the beginning of the school year to initiate the new members into the club. And this year, as in the past, the F.S.A. sold mums to the students for Homecoming. In the spring an Award Luncheon was held to honor the girls who were outstanding in their courses.

Mr. Yonge does not preach, but he merely speaks in a gentle voice for all who are interested in listening. It's an experience which is beneficial for everyone who participates. It's a feeling of togetherness and sharing. And we all hope that even though troubles have arisen, people will be concerned enough to continue it.

The 1970-71 annual staff this year is made up of students from grades 10, 11, and 12.

The work is not quite as organized as it appears. We have had battles of broken cameras and flashes to fight, the tragic typewriters which should have been retired years ago, and the mysteries of missing pictures to solve. However we have a good staff which is hard-working

and imaginative and is able to rearrange the oceans of pictures, papers, and words into the 1970-71 Raider's Log.

Special thanks go to Janet Harvey, editor and Mrs. Bennet, sponsor. They have both given hours of extra work to help organize and complete the annual.

We also express our regrets that Mrs. Bennett could not complete the year with us. Her humor and enthusiasm is missed.

Pep Club

If a poster is seen reminding you of a game, there's no doubt that it originated from the hand of a hard working pep club member. Providing and promoting spirit is what the club is all about. Led by Mrs. Sharon Stanton, the Pep Club scored a victory homecoming week as spirit reigned high, throughout the halls they so lively decorated. Spirit dolls dangled from every shirt button and treat boxes fortified the players for their big night.

Soccer Is Introduced to O.P.H.S.

This was the first year for the Soccer Club at Orange Park High. Mr. Vargas, as the coach, introduced soccer with the help of Pepe Casabianca, the school's foreign exchange student. At first, the boys practiced constantly, seven days a week, in order to become familiar with the game. They suffered a few injuries, but were determined to continue. Due to starting too late, the team was unable to enter a conference, but scheduled practice games with teams such as J.E.B. Stewart and St. John's J.V. team. Next year the boys are determined to become a school team.

The Glee Club

The purpose of the Glee Club is to train voices to blend well. The chorus hopes to study the fundamentals of music in order to read music themselves. Keys, intervals, and trebles will be taught as a means to that end. All types of music are studied in an effort to gain an appreciation of the different facets.

The chorus performs for the school functions which offer an opportunity to gain confidence and poise, and to share with the school what they have learned.

This year's cheerleading team was terrific. After one week in June at ACA camp they placed second in ability, they had a Spirit Party at Bolles and a beach party for Jacksonville and Orange Park Cheerleaders. They followed Orange Park's team everywhere they went, cheering, shouting, and screaming them on to victory. The cheerleaders showed their love to the team by keeping their spirit high.

A Disappointing Season for Raiders

The Raiders started the season with excitement in the air, but they were still defeated. Never giving in, the Raiders had a season of 1 and 9 with Head Coach W. Criswell. This is his first year at Orange Park. Assisting him were G. Willis, J. Taylor, and J. Garlington. Many of the Raiders were very young and will be back next year, stronger and better experienced. With many of our last year's men gone, the coaching staff had to work especially hard preparing for the season, but things didn't turn out right. We hope to have a very talented team next year.

Wrestling

Wrestling is a coming-on sport. To wrestle, it takes quick thinking, fast moves, and a lot of strength. The students of Orange Park think that our wrestling team is the best. There are three areas a wrestler is catagorized; heavy weight, medium weight, and light weight. Our school holds the number one position in each of these. We're proud of our wrestlers.

Nelson Helmuth, Mike Adams, Carl Hyatt, Van Hogan, John Lanham, Glenn Alan, Wayne Griffin, Peter Tuebner.

Junior Varsity Cheerleaders Urge J.V. Raiders on

The 1970-71 Junior Varsity Cheerleaders worked extra-hard to promote Raider Spirit among the students of O.P. Starting out with eight girls at the beginning of football season, they were reduced to six during basketball season, but the spirit and togetherness still held. The girls always encouraged the teams at every sports event, Radiating Raider Spirit everywhere. Under the fine supervision of Mrs. Lynn Hunt, their sponsor, and leadership of Vicki Beeson, the captain, the girls truly advanced to become one of the best J.V. squads the school has ever had.

Junior Varsity Football Season Began With Great Hopes . . .

John Williams makes a bone-jarring tackle against Bolles.

The 1970-71 football season for the Junior Varsity Raiders turned out to be a disappointment. In preparation for the games to come, the boys endured the rough workouts of Coach Turner, Coach Booth, and Coach Taylor, beginning the season with great expectations. The boys started every game with an optimistic point of view, but each time the game ended in defeat. The season ended with a record of 0-7, but the J.V. RAIDERS promise to return next year with a more rewarding season.

J.V. Basketball 1970

This year the Junior Varsity Basketball team, finishing 3rd in the conference, ended their season with a record of 10-8. Under the guidance of Coach Taylor, the boys received their share of running laps and sprints, but that all added up to make them the fine team they were. Facing teams of varying abilities, the J.V. Raiders won with confidence and grace, never losing without putting up a good fight. Led by the high scoring of "Big John" Flowers, Mike Haltwanger, and Sam Solomon, with Larry Stillman guarding and Jimmy Gay as forward, the team turned out to be one of the best all around. Next year promises to be just as good if not better, with returning members Danny Boutte, Rick Haltwanger, David White, Jimmy Gay, and Gary Frith.

Girls' Softball

This year's 1971 girls' softball team consists of 15 girls. Coached by Miss Chance, with manager, Laura Thompson, and score-keeper, records Susan Seesdorf, they hope to have a winning season.

Their schedule consists of 18 games, 7 of which will be played at home.

With Roberta Schuler, Barbara Koontz, and Wanda Donahue as returning lettermen, they should have a good season.

On February 20, 1971 the girls went to a baseball clinic, and it was pronounced that our girls had the best pitchers of all the teams competing.

Anita Landman, Anita Timberlake.

Diane Criswell, Sue Mardos.

Volleyball Team

This year's volleyball team had a good year. Both Varsity and J.V. met Clay High in a match on Oct. 6. Even though Clay High won they knew they were ready for the tournament. They practiced continuously after school touching up their skills in slamming, setting-up, and serving. After a few small scrimmages with the boys, they were sure they were ready to play. But when they appeared at the tournament something seemed to snap as the Raideretts lost every game. Our girls kept their spirit up though, and promised to come back next year and win the trophy. The J.V. played better and placed third in the section.

FIRST ROW: Gwen Smith, Sue Mardos, Edith Huntley, Diane Rondeau. 2nd ROW: Camella Nelson, Kathy Newbury, Debbie Pendleton, Nancy Nolan.

FIRST ROW: Kathy McDaniel, Barbara Koontz. 2nd ROW: Anita Landman, Roberta Schuler, Anita Timberlake, Diane Hayler. 3rd ROW: Miss Mitchum - Coach, Laura Thompson, Kathy Enos, Kathy Martin, Joyce Smith, Charlotte Chenoweth.

Tennis

MISS MITCHUM - Coach

This is the first year we have had a tennis team at Orange Park. The girls have put in a lot of long hard hours. They practiced every Tuesday and Thursday after school at the Naval Air Station. They have a tournament February 27 with Palatka. We wish the girls lots of luck.

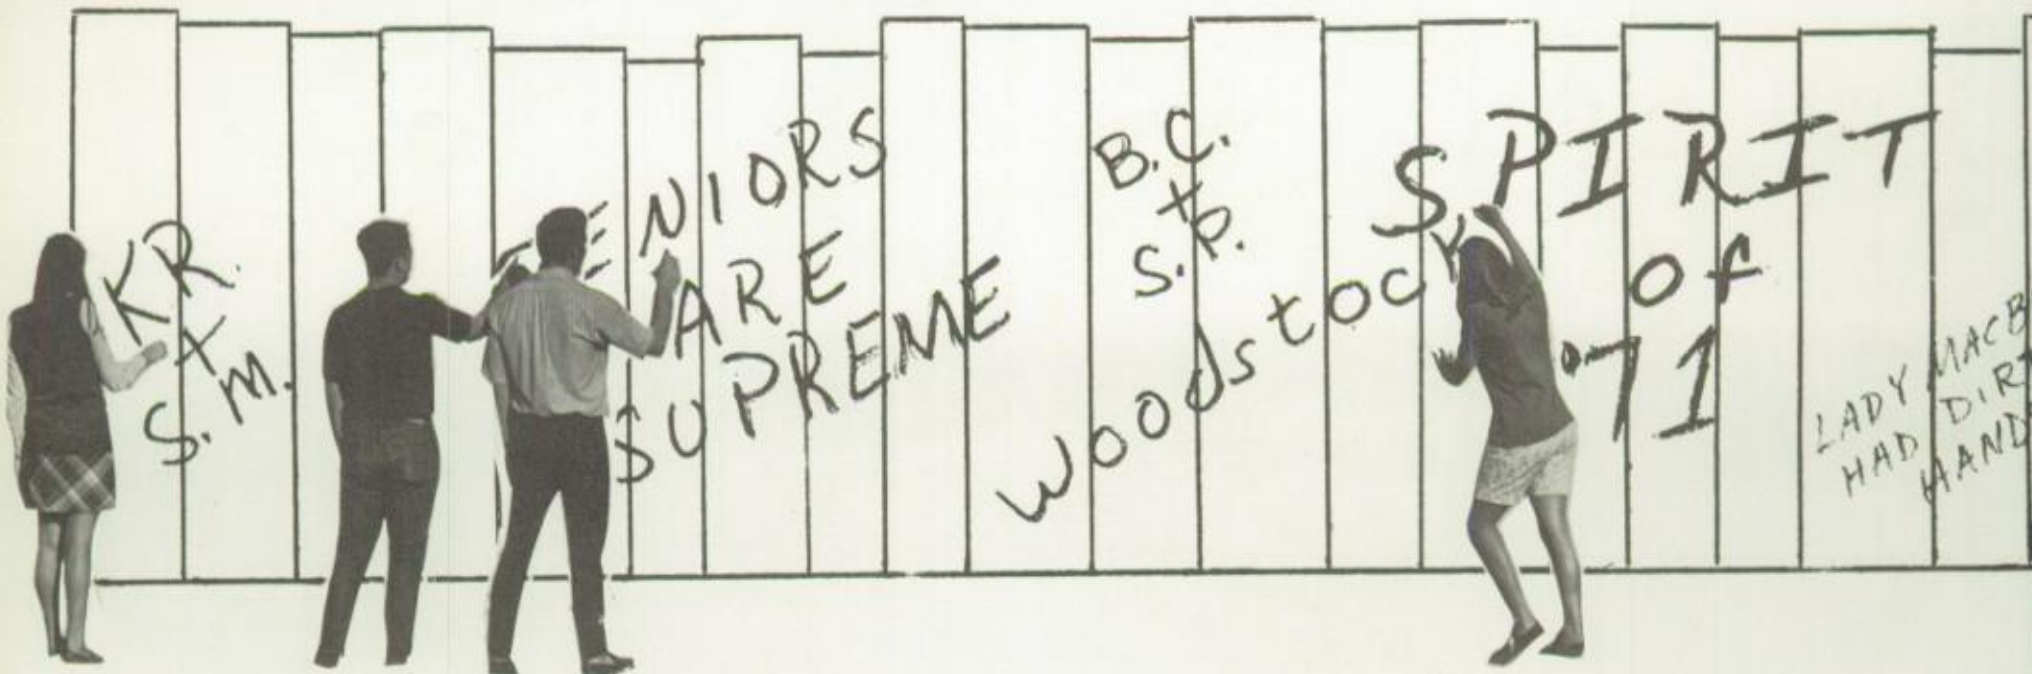

FIRST ROW: Candy Bell, Debbie Whitlatch, Judy Jordan, Diane Rondeaux, Sue Hanley. 2nd ROW: Debbie Halligan, Edith Huntley, Andrea Thomas, Kathy Newbury, Eleanor Fails.

Homecoming —

The Homecoming dance was the high point of the evening since we lost the game. Vickie Strong and other members of the Senior Class did their part by serving the refreshments. All the kids wished the cokes had been mixed with other things. The dance was a great success.

Junior Class Produces A Number One Float

The Junior class took away the title of Number One Float from the Senior class this year. They received the title of Most Beautiful, over all the floats entered in the Homecoming Parade. There were eighteen.

Many long hours were put into building the float. Production began the last week, but plans had been underway for several weeks before Homecoming. The Juniors, however, wouldn't admit how much money they had spent.

Frosh Experience Normal Class Life

Mr. Lee and Cindy Denison pass notes.

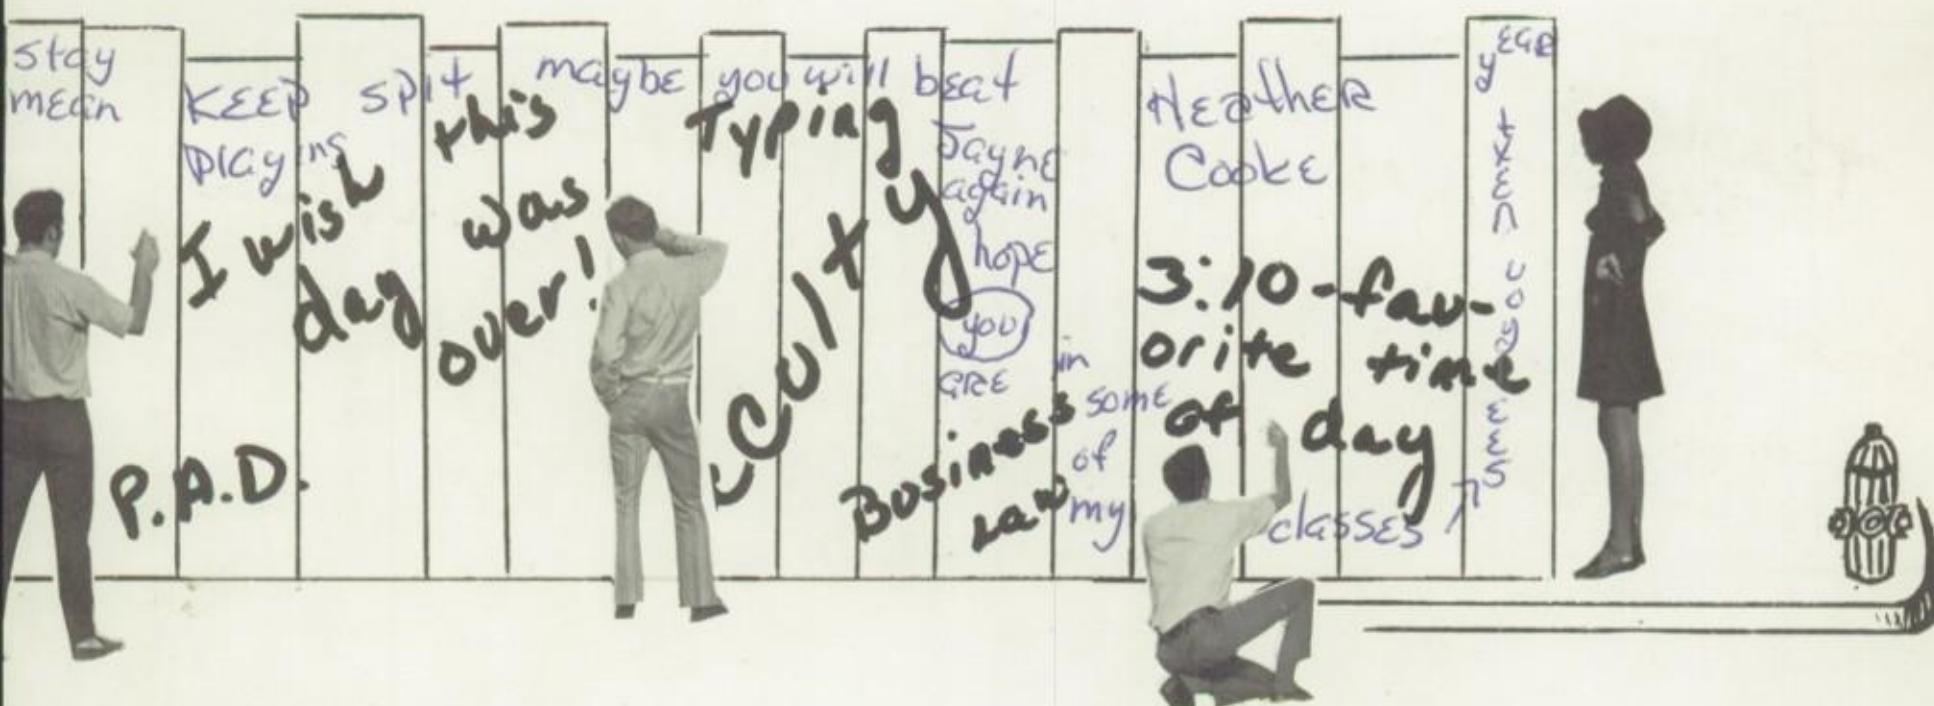

Oh, It's alive!

In the beginning, in 1961, Mr. Duncan was Assistant Coach and Head of the Business Department. He became Head Coach in 1965. Through his ability and direction our teams were generally good, and we were proud of them and him. In 1967, he became Dean of Boys, while he also filled the position of Athletic Director. Although he was responsible for discipline, and many students felt his strength personally, he maintained a friendliness and helpfulness on which the Raiders depended.

This year Coach Duncan, as he is still called, is now our Assistant Principal. We congratulate him on this new position and extend our thanks for the help and support he gives us all. For the pleasure of his smiles and the danger of his frowns, we salute Coach Duncan, our man of the year.

Students Learn Many Languages

In studying a foreign language, emphasis is placed on speaking and learning to think in the language. This enables

students to understand people and our language better, because it has many foreign sources.

Artists Learn From Others

The art students study the works of the world's masters and are encouraged to experiment with their own forms. The art class this year is still in the Middle School. This is due to lack of space in our new building. Perhaps next year the students won't have to walk so far.

Mrs. Hunt teaches art appreciation.

Students' French tickles Mrs. Gross.

The Library Is the Key to Adventure and Success

Don't tell me they tore the page out! Mrs. Hansen.

The students and faculty of Orange Park enjoy a beautiful library this year. Centrally located in the center of the school, it is both beneficial and comfortable.

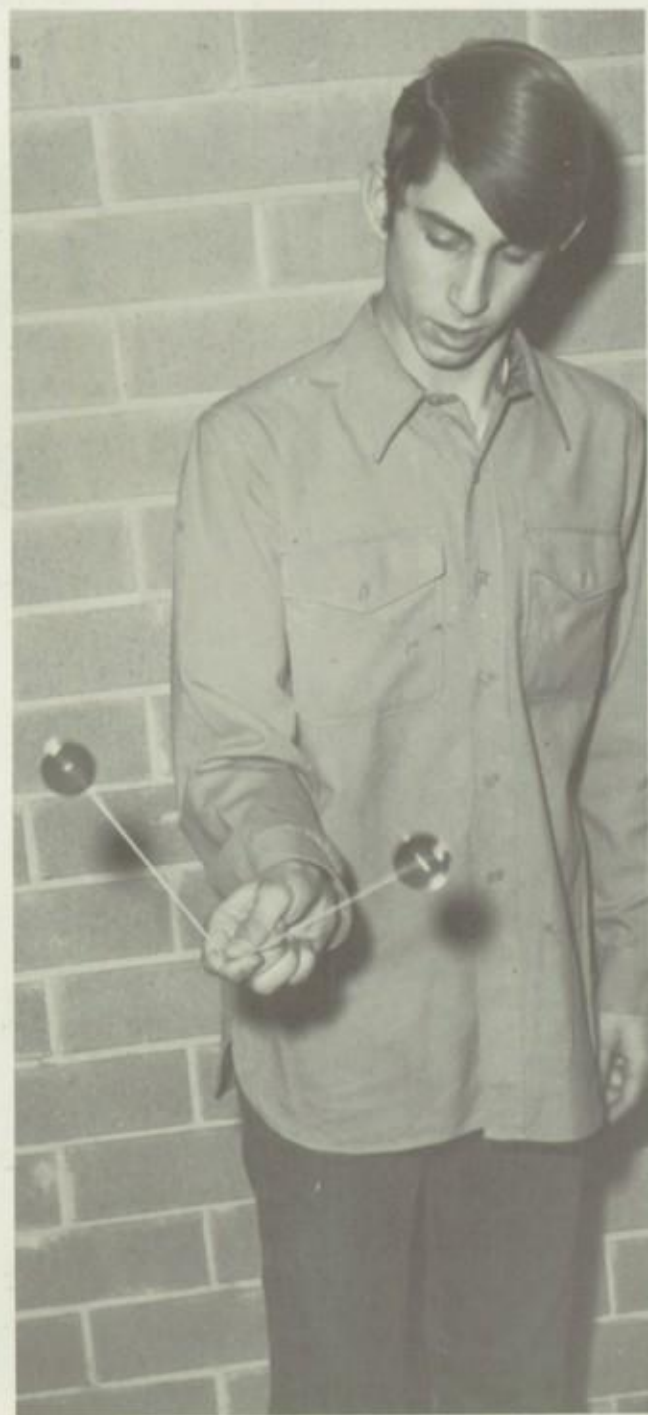

Mrs. Brown is checking accession numbers.

It contains knowledgeable information on most any topic a student might prefer to investigate. The decor and pleasant surroundings make it a unique place of study and research for all.

Mrs. Allred and Mrs. Wilson enjoy their work in the library very much.
